### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Applicants' response, which included cancellation of claims 1, 3, 8-21 and amendment to claims 4, 6 and 7, filed on 11/24/2006, is made of record. Claims 4-7 are now pending.

In view of applicants' response, the 112 first paragraph rejection and 103 rejections made in the previous office action have been rendered moot. In addition, in view of the amendment to claims 4, 6 and 7, objection to these claims made in the previous office action has also been obviated

The pyridyl-triazine compounds of formula 2, 3 and 4 of claims 4-7 were not found to be anticipated or rendered obvious by the prior art of record. Additional search in the related art area also did not yield any prior art teaching or suggesting the compounds of formula 2, 3, and 4, embraced in the instant claims. Therefore, the examiner noted that the claims 4-7 would be in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
